

COMTO
Business Meeting
South Carolina State University

October 10, 2002
6:00-7:30 p.m.

COMTO is a dynamic multi-modal transportation organization that provides leadership programs and advocacy services to address the needs of businesses, minorities and communities we serve. The organization enhances the quality of life of our members and communities by providing: a network of business opportunities; strong national and local political participation; access to career advancement opportunities; and comprehensive training and educational programs.
